OFFICE OF LEGISLATIVE COUNSEL

Friday - 15 December 1961

1. (Internal Use Only - GLC) Advised Mr. Landau, in the Legislative Reference Service of the Library of Congress, that our people had undertaken to provide the information which he had requested on the heads or delegates of the eighty foreign Communist parties as they were referred to by Khrushchev in his address to the 22nd Party Congress in Moscow. I advised Landau that our people did not maintain biographic data on these individuals in unclassified form but that we were screening our material on these individuals for unclassified material which would comply with his request and that we hoped to have it available within ten days to two weeks. [] BR. is preparing this material and will forward it to Chief, OCR for transmittal to the Library of Congress.

2. (Internal Use Only - JGC) Met with Mr. [] of Radio Free Cuba, 487 Broadway, New York 13, New York, in the office of Representative Victor L. Anfuso (D., N. Y.), as requested by Representative Anfuso's office on 11 December. Prior to the actual time of meeting, it was our understanding that [] was a member of the staff of Representative Anfuso's office. [] was advised of this fact and that the information imparted would be transmitted to the appropriate Agency representatives. No commitment was made concerning any future meetings nor any response made by Agency representatives with regard to [] request for assistance in procuring obsolete Navy mine sweepers. (See Memo for Chief, WH [] dated 15 December 1961, for details.)
